I just wanted to take one moment to say thank you so very much for turning out at Monday's meeting. I know how frustrating it is to see things go, well, not as we would have hoped.

But if we aren't there to witness it, things only get worse.

We'll try to prepare a summary of the meeting, shouldn't take much longer than the meeting itself.

But the reporter was there from the Daily Herald--he stayed many hours. Our attorney from the Citizen Advocacy Center (citizenadvocacycenter.org) really got to know our board and their procedures. We kept the pressure on. And I'm sure you all noticed the cop in the back of the room. He was there to "keep order." And he was there until 1:30, too, poor guy.
