Hello, Neighbors--

Great meeting Sunday, beyond expectations given the simply gorgeous weather. Speaking of which, the group decided to hiatus our formal Open Houses for July and August. But of course, all our informal get-togethers continue on a regular basis, so expect an invite or two to a Neighbor's back yard. Next Open House will be in September--we'll probably drop back to second Sunday, since the first is Labor Day weekend.

Special thanks to Donna and Geoff Anderson for treating us to refreshments for the Open House. Geoff is our Subdivision Captain for Deer Park Place.

Other business covered: We discussed the appropriation process, in preparation for the Public Hearing on 6/19. Remember, that hearing is your chance to discuss budget line items--all the relevant information is posted at Village Hall.

Susan Kellermann and her committee will revise and complete our By-Laws and present them for approval at the September meeting.

During our open forum, there was concensus that the top things on Deer Parker's minds these days are property taxes (will one be instituted in Deer Park in the foreseeable future?), traffic, drainage, the proposed Tax Increment Financing district on Rand Road and traffic.

We've initiated a couple of research projects, and will be incorporating that information in our upcoming Newsletter, also scheduled for right after Labor Day.

Is there a topic you'd like to see covered in our Newsletter? Are you interested in undertaking one of our research projects? Would you like to have a speaker from Deer Park Neighbors come to your subdivision Homeowners Association meeting?

Please just reply or call, anytime. Enjoy this glorious environment, and the Barrys invite you to come by and talk about perennial gardening!
