Subject: Mosquito Spraying Info
Date: Tue, 15 Aug 2006 20:58:34 +0000

Have just been informed that there will be spraying for mosquitoes by Clarke late Wednesday evening into Thursday. They will also spray in Kildeer and other surrounding areas. Their batches have turned up with mosquitoes carrying the West Nile virus.

Please let our residents know. It is highly recommended that windows will be shut and pets kept inside.

Thanks for spreading the word.

Have a good day.
