:: Save the Date, VODP BOT meeting
:: Summary of Transportation Summit 8/23/06, attached

Happy autumn, everyone. This really is beautiful, back-to-school weather--if a bit wet!

:: Some of you may not have received the Daily Herald with its front page story regarding Kari Diesen-Dahl, which is attached.

:: We received the following email from a Deer Park Neighbor, and she has asked that we pass it along to our membership. For those of us who are new to curbside mailboxes, this is a worthwhile reminder.

<<

Hello,

Hoping you could warn our neighbors about mail fraud. Someone took my mail out of my mailbox and forged my check. The police said the Barrington area is getting hit hard along with the outlying areas. Please put out a warning to NOT put checks in the outdoor mailbox!

Thank you

:: The minutes of the August 21, 2006 Village of Deer Park Board of Trustees Meeting are available at the Village web site. Reading minutes is a great way to catch up on a number of village activities, including Vehe Farm and road repairs. Of course, the best way to keep up is by coming to the Village BOT meetings . . .

:: Monday, October 16, 2006, 7 pm, Quentin School, VODP Board of Trustees meeting. Public comments take place at the beginning of each meeting. If you have never come to a meeting, there's no better time to give it a try.

We've been asked: "Do I have to stay for the entire meeting?" No, you can leave at any time. "Can I come in after the meeting has begun?" Yes, of course. We trust that everyone is going to enter and leave as quietly as possible, and please turn off your cell phone ringer while you are there. The DPN officers are usually at the meetings about 10 minutes before they begin, so do introduce yourself!

:: A number of Deer Park Neighbors attended the recent Lake County Transportation Summit. John Lahr has prepared a summary, which is also attached. If anyone is unable to open attachments, just email back and we'll cut and paste or fax or snail mail

a copy to you.

Thank you for all your support, and keep those emails coming. We are sincerely interested in learning all points of view.
