PUBLIC HEARING on objections to candidates' petitions, 2/19, 7:30 pm, Village Hall. We have seen 8 objections to 5 of the 7 people running for Trustee. (See attached calendar for info on voting; bold type is about you, the voter.)

MEETING VODP Board Tuesday, 2/20, 7 pm, Quentin School. Agenda attached. Couple of items caught our eye: Comcast presentation on packaged services; approval of a new Village Clerk; discussion of conflict of interest policy. NOTE: Attending board meetings helps everyone cast an informed vote on 4/17.

NO MEETING on Thursday, 2/22 for DPN—even we can't do 3 meetings a week!

THE NOISE ABOUT CONCORDE BANQUETS Kildeer Plan Commission is reviewing a Special Use Permit for a landscaped seasonal use patio/tent for weddings. Think about weekends, May-October? Hearing the DJ until all hours? See attached map for half-mile and one-mile distance from Concorde: this affects DP, Lake Zurich as well as Kildeer. There's already been a petition by 49 objectors, and we testified at Tuesday's public hearing in Kildeer. WANT TO IMPACT THIS DECISION? Email or call us if you think this outdoor party place will affect you.

REMEMBER, introduce yourself when you come to Monday or Tuesday's meetings, and invite your friends to join this email list.
