CANDIDATE'S FORUM Great news. The League of Women Voters will conduct a candidate's forum on March 10 at the Barrington Area Library. The election in Deer Park is attracting a lot of attention, and we're very lucky to have the league's vast experience focused on Deer Park.

VILLAGE CLERK Welcome to our new Village Clerk Susan Meyle, a Deer Park resident, whose appointment was confirmed Tuesday. Congratulations, Susan, and best of luck.

CONCORDE BANQUETS Al Barry, DPN President, spoke at public comments about the Concorde Banquet proposed tent/patio for weddings, as did four residents of neighboring communities. A copy of the petition with 49 signatures was presented, and there were about a dozen others in the audience.

When it comes to noise, we're all neighbors; it's not just the loud music, it's the low frequency bah-boom, bah-boom of the bass.

The project is an action item on the 3/5/07 Kildeer Board agenda. One of the original petition circulators tells us that she will speak on the agenda. It's going to take a concerted, in person effort by all of us who would be impacted by this special use.

Deer Park Neighbors, we must add names to the petitions and appear at that meeting. Email or call us if you will sign a petition and/or attend the Kildeer meeting. Together, we are stronger.
