Greetings, Neighbors,

I'm new to this community web site stuff, but it certainly is both fun and rewarding to see how many people are coming by <http://deerparkneighbors.com>. There's all kinds of information you can use every day--and we welcome your suggestions.

NEWS STORY: The article printed in Friday's Daily Herald gives you the candidates' right from their own mouths. You really need to read it.

Or if you cannot link from here, go to dailyherald.com, choose "Deer Park" from the communities.

Then, if you have questions for the candidates, go to our web site and click on Elections 2007 for phone numbers and emails for every one.

BIG WEEK:

Monday, Village Board, 7 pm, Quentin School. Agenda pasted below.

Tuesday, April 17, 6 am - 7 pm, Voting Day. No excuses! Think about this, if only a quarter of the registered voters show up, who do the elected officials represent?
