Greetings, neighbors.

Most of the election results are posted on our web site, though we see nothing of the Cook County results and of course have to wait for write-in numbers. We will post final results as they are available.

There is also a story in Pioneer Press in the Lake Zurich edition. Click through on the "Incumbents, CURE" story for a brief report on Deer Park and other nearby races:

There is a story in today's Herald about the stadium for Dist. 220.

<http://www.dailyherald.com/news/cookstory.asp?id=303757&cc=c&tc=dpa&t=Deer%20Park> or select "Deer Park" or "Barrington" from the communities at the top of the page.

If you have kids in Lake Zurich High School, you will want to visit the high school web site:

<http://www.lz95.org/lzhs/>

to read about the cancellation of Friday's assembly.

We are providing more and more links from our new web site,

<http://deerparkneighbors.com>. But we need to hear from you about what you find interesting or useful.

Right now--we want to hear from you on this week's election. We want your feedback. What did you think about the campaign itself? The candidate's materials? What do you think the preliminary results show? What would you like to see change in Deer Park elections?
