Subject: brief note, check the Village site
Date: August 8, 2007 9:00:52 PM CDT

Hello there, neighbors, and hope you're keeping dry.

I just wanted to bring a couple of things to your attention.

First, the Village summer newsletter is posted online at the village site. This issue is worth reading. There is a tremendous amount of information about village finances. You should bookmark the Village site, village.deer-park.il.us.

There is also a paragraph in the middle of Village web page, that links you to Trustee Joel Rotter's report on the Parks Survey, including Joel's comments on where we go from here. Trustee Rotter specifically says he wants to hear from more of you. You can email him at dptrusteerotter@comcast.net or write to him care of Village Hall, 23680 W. Cuba, Deer Park, 60010, (847) 726-1648

I've attached these documents for your convenience. You may want to print these out for your neighbors who do not have internet. As always, look forward to your reactions.

VILLAGE MEETING, Monday, August 20, 7 pm at the Barn.
