For

Deer Park Trustees

Good things have been happening in Deer Park:

Emphasizing Conservative Financial Management

- ✓ Maintained no-property-tax status
- ✓ Increased sales tax revenue through high-quality retail development

Increasing Property Values

- ✓ Ensured high-quality residential development
- ✓ Provided effective and thoughtful planning for growth
- ✓ Leveraged regional influence through Barrington Area Council of Governments
- ✓ Ensured effective and balanced land use

Preserving Open Space

- ✓ Expanded Town Center Park
- ✓ Created the Vehe Farm Community Center
- ✓ Improved Village parks and bike/walking paths

Improving Infrastructure and Security

- ✓ Improved drainage and roads consistent with long-term financial plan
- ✓ Implemented 24-hour local police service and established new fire station

Here's how we'll work to make things even better:

Continuing Smart, Conservative Fiscal Management

- ✓ Maintain a sound financial policy that continues to provide quality community services
- ✓ Develop the remaining Town Center revenue opportunities while continuing high-quality standards
- ✓ Create and implement a long-term funding strategy for road improvements throughout the Village

Preserving Our Quality of Life

- ✓ Carry forward the vision embodied in the Village's Comprehensive Plan
- ✓ Maximize use of the Vehe Barn and recreational space through public and private programs
- ✓ Complete the Town Center Park as a mixed-use recreational area

Leading through Constructive Village Governance

- ✓ Promote positive problem solving through respectful, constructive dialogue among all parties
- ✓ Continue to make decisions based on broad community needs, not narrow interests
- ✓ Continue active participation in regional youth recreational programs through parks development
