This email will serve as my endorsement of Bob Kellermann for Village President and Dale Sands and Keith Olson for Village Trustee in the upcoming Village of Deer Park election. It is time for a change in leadership in the Village of Deer Park to a team who will fully fund the improvement of our roads, drainage concerns, and parks.

In addition I wish to expression my best wishes to John Lahr and his family since he had to withdraw from the campaign for personal reasons. John thank you for your years of service to the village and only the best to you and yours in the days ahead.

To the residents of Deer Park, please look for a more detail review of the state of our village from me in the days ahead. I wish only the best for the Village of Deer Park and its residents.

Joel Rotter

Trustee, Village of Deer Park

I has serviced this village for 20 years in various capacities.
