Deer Park Election Notice March 17, 2009

To the residents of Deer Park,

It is with deep regret that I, John Lahr, find it necessary to resign from the Campaign for Trustee of the Village of Deer Park. This resignation is entirely for private personal reasons.

My name will remain on the ballot since it is too late to remove it. However, I encourage voters in Deer Park to express in the ballot the need for new leadership in this village.

To those of you who trusted me by signing my petition for candidacy - Thank You.

To those of you who I was associated with in this campaign, you have my best wishes.

Thank you all,

John Lahr
